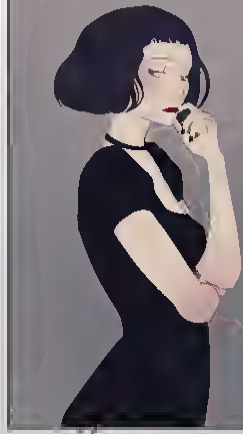
ep: 37

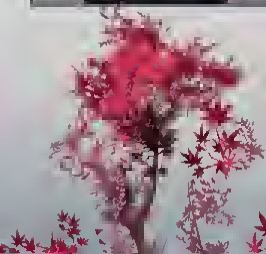
False Promise

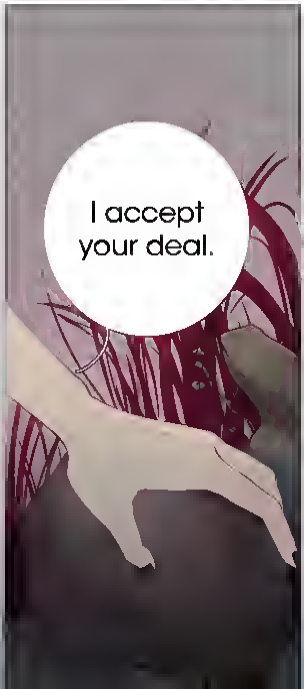
Just so you know, only I can revive an object slain by me

You try anything funny... I die, your bunny dies with me.
Understood.
This is too

good a chance to pass up...







Hold on, are you going to smash my face in with that?
Uh ..yeah? Gotta knock you out to relocate elsewhere...

I can't exactly torture you out in the open, hello.
joggers might interfere.
I'm a 5'8" male, 145 lbs...Do you think you can drag my limp body through these woods,
In heels, nonetheless.

(*Error intentional)

I knaw
a desalate
place.

How naive. Five hours later, that furry carcass is pretty much ready for pet cemetery or something stupid that pets owners do.

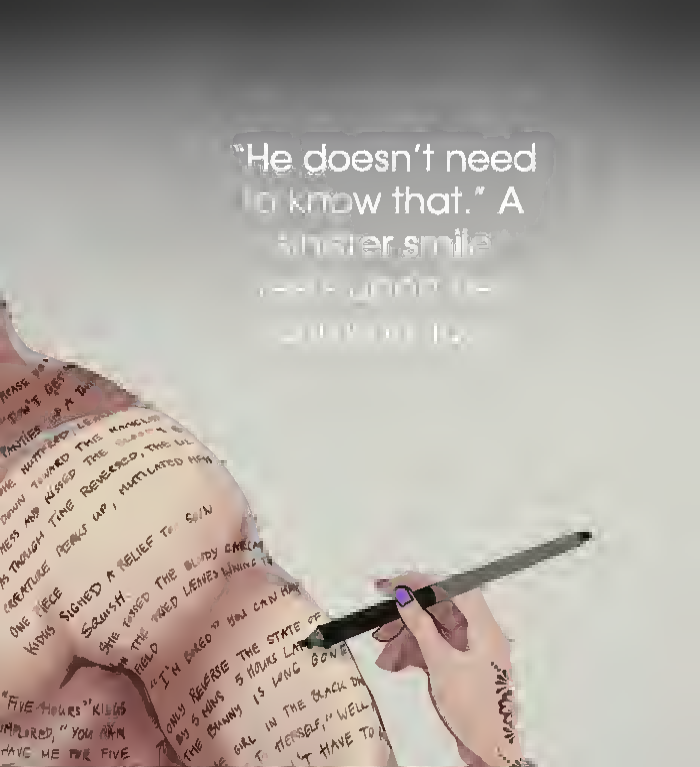
"He doesn't need to know that." A sinister smile



HOURS IF you REVIVE
THE BUNNY"
MISTOOK HER POWER FOR
RESURRECTION. KIDUS
DOESN'T REALIZE SHE CAN
Wait, is Kidus real? Is this happening right naw?
Shh. Kreyul. Dunna. This stary was streaming in my head
priar ta entering Nightmare Factary

I didn't even know you're non-fictionol until now...how would I know if he exists in some other dimension?
Oh my cod. I'mmo gut o b*tch if she hurts Kidus.

Do you at least know the location Kidus is from?

You lectured me for being reckless and here's your favorite character exchanging himself for a bunny...

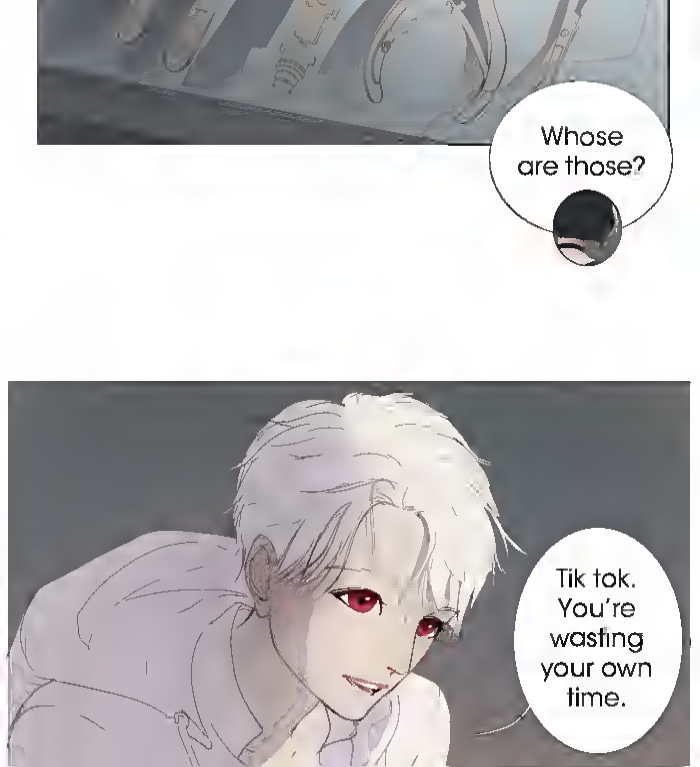
Yes. I do have a vague idea of Kidus's background. He's from an island called

Criminaxe.

Back to Criminaxe...

How did you find something like this in the first place?
Are you... just casually chaining yourself dawn?
RATTLE

Hm, not much of a talker, are ya?
Is...that just surgical tools lying around?



Whose are those?
Tik tok. You're wasting your own time.

What is wrong with this kid?
Are you *seriously* rushing me to hurt you?
